May – Winding Down and Gearing Up

Yes, May. The last month of school – celebrate! On the other hand, the last month of school – panic! Your perspective probably depends on a lot of things and fluctuates greatly. Discipline and determination are required for us all in order to finish strong!

*I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.
Philippians 3:14*

Salem Christian Academy is privileged to join with you in sharing the love of God.
Thank you for your prayers and support!

*****Sixth Grade News*****

Washington, D. C. Trip – May 10-15

It's finally here! All the prayer and preparation will be realized within days. The sixth graders will spend four jam-packed days in our nation's capital. They will experience proof of America's Godly heritage first hand. D. C. is an inspiring place to visit. To see the Christian words and symbols in documents and on monuments as a testament to the deeply held Biblical beliefs that have shaped our country from the very beginning gives us hope. It also gives us a sobering reality check and lots to pray for. We are proud of our sixth graders and excited for them in this opportunity. Please continue to pray for their safety.

Parents: Please stress your expectations for respect and obedience while at school with your student. Our common goal is to raise self-controlled, responsible God-fearing adults. Consistency is key. God bless your efforts!
